

Employee Banking Solutions Exclusive Webinars

New to UK

Make the most of your new life in the UK with support from our presentation. To help you settle, we will supply an overview of key areas to think about. We look at the essentials such as how to set up your bank accounts in the UK, understanding credit scoring, right through to some top tips around your financial health, insurances and understanding the language often used. There's lots of information to support you and your family for a successful start to life in the UK.

The next chapter - home buying for existing owners

Moving home can be an emotional rollercoaster, with feelings of excitement, stress and relief once you're settled and happy in your new home. This presentation provides an overview of things you'll want to consider when moving home or investing in property. Your home may be repossessed if you do not keep up repayments on your mortgage.

Women in the workplace

Many women face unique challenges when it comes to investing in their long term financial futures. This session looks to inspire money confidence to start honest and open conversations about investing and finances for the whole family.

Managing and growing your wealth - executive session

An opportunity to check in on your personal economy, with guidance from specialists that understand your needs.
